

Why use the SmartPlay System for Grass Matting?

- ✓ Adheres to British Standards
- ✓ Stops grass mats from sinking
- ✓ Increases Critical Fall height coverage
- ✓ Enhances grass growth in action areas
- ✓ Offers ground stability and prevents undulations
- ✓ Makes replacement of mats easy
- ✓ Offers a maintenance free surface – just cut the grass!
- ✓ Can be installed directly onto grass base – minimal groundwork costs

DON'T TAKE RISKS OR GAMBLE WITH SAFETY!
